

NEW!

Bravo™ AUTOPRINTER

Bravo AutoPrinter is the world's first automated CD/DVD disc printing system that can truly be called innovative. It combines automatic, robotic-based CD or DVD printing along with full-color, 2400 dpi disc printing – all in one compact, desktop unit.

Whether you're printing complex graphics or simple text, you'll quickly discover that Bravo makes the job quick and easy. It delivers unmatched performance and versatility at a new, breakthrough price.

PRIMERA
TECHNOLOGY, INC.

Print Quantities of CDs or DVDs On Your Desktop!

INTRODUCING THE BRAVO AUTOPRINTER

Developed by industry leader Primera Technology, Bravo combines automated, robotic disc transportation with full-color printing in a compact, “all-in-one” desktop unit. Up to 25 discs per job are automatically printed – hands-free and totally unattended!

“PRINT ONLY”

If you only need print capability, the new Bravo AutoPrinter is the perfect companion to your CD/DVD tower duplicator! The **Bravo AutoPrinter** makes it fast and easy to automatically print discs produced on the tower duplicator you may already own. With the Bravo Auto-Printer, you’ll get gorgeous, full-color CDs and DVDs printed “hands-free” at up to 2400 dpi – at a price that’s less than most other manual disc printers!

INTEGRATED PRINTING

Bravo incorporates the latest high-resolution ink-jet printing technology. You’ll be able to produce stunning graphics, photos and text with incredible, photo-realistic 2400 dpi print resolution. Using inexpensive and readily available printable-surface media, Bravo prints directly onto the surface of discs.

MANY SIZES OF MEDIA

Bravo produces not only standard 120mm CDs and DVDs, but also several of the most popular business card shaped and mini-CD formats. An optional adapter kit is required.

GET UP AND RUNNING QUICKLY

From initial set-up to full operation, Bravo is simple to use. The professional SureThing™ CD Labeler First Edition software makes professional looking disc printing a snap with its full-color backgrounds and built-in templates. Just connect Bravo to your Windows® PC and you’ll be duplicating and printing discs in just a few minutes.
