

NEW!

Bravo™

DISC PUBLISHER

Bravo is the world's first automated CD/DVD disc publishing system that can truly be called innovative. It combines automatic, robotic-based CD or DVD duplication along with full-color, 2400 dpi disc printing – all in one compact, desktop unit.

Whether you're duplicating audio, video, data, software, photos or any other digital information, you'll quickly discover that Bravo makes the job quick and easy. It delivers unmatched performance and versatility at a new, breakthrough price.

Produce Quantities of CDs or DVDs On Your Desktop!

BRAVO KIOSK MODE KIT

**Increases
Capacity
to 50 discs**

INTRODUCING THE BRAVO CD/DVD PUBLISHER

Developed by industry leader Primera Technology, Bravo combines automated, robotic disc duplication and full-color printing in a compact, "all-in-one" desktop unit. Up to 50 discs per job are automatically produced – hands-free and totally unattended!

CD, DVD AND "PRINT ONLY" MODELS AVAILABLE

For CD-Rs, the **Bravo CD Publisher** has a state-of-the-art 52x drive. Full 700MB CDs are produced in less than three minutes each!

If you'd also like to duplicate and print onto DVDs, choose the **Bravo DVD Publisher**. This model is dual-purpose. It produces both DVDs at 4x speed as well as CDs at 16x speed.

If you only need print capability, the Bravo AutoPrinter is the perfect companion to your CD/DVD tower duplicator – at a price that's less than most other manual disc printers!

INTEGRATED PRINTING

Bravo incorporates the latest high-resolution inkjet printing technology. You'll be able to produce stunning graphics, photos and text with incredible, photo-realistic 2400 dpi print resolution. Using inexpensive and readily available printable-surface media, Bravo prints directly onto the surface of discs.

MANY SIZES OF MEDIA

Bravo produces not only standard 120mm CDs and DVDs, but also several of the most popular business card shaped and mini-CD formats. An optional adapter kit is required.

GET UP AND RUNNING QUICKLY

From initial set-up to full operation, Bravo is simple to use. The professional CD/DVD burning software from Sonic® for the PC or Charismac Engineering's Discribe™ V5.0 for the Mac allows virtually any digital information to be duplicated. SureThing™ CD Labeler Primera Edition software is also included for Windows®. It makes professional looking disc printing a snap with its full-color backgrounds and built-in templates. For Mac computer users, any popular graphics application may be used.
